

# Polypropylene

3271

Effective Date: January 11, 2014

## Kosher Status and Use of Animal Derived Raw Materials (ADM)

Total Petrochemicals & Refining USA, Inc. manufactures **Polypropylene 3271** as uncolored pellets by a process using propylene monomer as the main ingredient. The finished product contains other additives to enable manufacturing or enhance performance. However, these additives **are not** derived from animal-based constituents.

Because this material does not contain animal derived materials, it is in de facto compliance with *Note For Guidance On Minimising The Risk Of Transmitting Animal Spongiform Encephalopathy Agents Via Human And Veterinary Medicinal Products* (EMEA/410/01 Rev.3).

### Kosher

Total Petrochemicals & Refining USA, Inc. **does not** represent this product as conforming to kosher requirements; however it has been our experience that this may not affect the kosher status of the fabricated product.

These statements do not cover the user:

- modification of our product by any addition of any other product to it,
- modification of our product resulting from processing of the product, or
- inadequate use and/or storage of our material or the finished articles by the end user.
